It is possible that lots in the community titles scheme are being used now or could in future be used lawfully or unlawfully for short-term or transient accommodation.

Layered arrangements of community titles schemes

A layered arrangement is a grouping of community titles schemes, made up of a principal scheme and one or more subsidiary schemes. Find more information at www.qld.gov.au/buyingbodycorporate

Is the scheme part of a layered arrangement of community titles schemes?

No

If yes, you should investigate the layered arrangement to obtain further details about your rights and obligations. The name and number of each community titles scheme part of the layered arrangement should be listed in the community management statement for the scheme given to you by the seller.

Building management statement

A building management statement is a document, which can be put in place in certain buildings, that sets out how property and shared facilities are accessed, maintained and paid for by lots in the building. It is an agreement between lot owners in the building that usually provides for supply of utility services, access, support and shelter, and insurance arrangements. A lot can be constituted by a community titles scheme's land.

Does a building management statement apply to the community titles scheme?

No

If yes, you can obtain a copy of the statement from Titles Queensland: www.titlesqld.com.au. You should seek legal advice about the rights and obligations under the building management statement before signing the contract -for example, this can include costs the body corporate must pay in relation to shared areas and services.

By-laws and exclusive use areas

The body corporate may make by-laws (rules) about the use of common property and lots included in the community titles scheme. You must comply with the by-laws for the scheme. By-laws can regulate a wide range of matters, including noise, the appearance of lots, carrying out work on lots (including renovations), parking, requirements for body corporate approval to keep pets, and whether smoking is permitted on outdoor areas of lots and the common property. However, by-laws cannot regulate the type of residential use of lots that may lawfully be used for residential purposes. You should read the by-laws before signing a contract.

What by-laws apply?

The by-laws that apply to the scheme are specified in the community management statement for the scheme provided to you by the seller.

The community management statement will usually list the by-laws for the scheme. If the statement does not list any by-laws, Schedule 4 of the Body Corporate and Community Management Act 1997 will apply to the scheme.

In some older schemes, the community management statement may state that the by-laws as at 13 July 2000 apply. In these cases, a document listing the by-laws in consolidated form must be given with this certificate.

General by-laws

The community management statement includes the complete set of by-laws that apply to the scheme.

Exclusive use areas

Individual lots may be granted exclusive use of common property or a body corporate asset, for example, a courtyard, car park or storage area. The owner of a lot to whom exclusive use rights are given will usually be required to maintain the exclusive use area unless the exclusive use by-law or other allocation of common property provides otherwise.

Are there any exclusive use by-laws or other allocations of common property in effect for the community titles scheme?

Yes

If yes, the exclusive use by-laws or other allocations of common property for the schemes are:

Lot entitlements and financial information

Lot entitlements

Lot entitlements are used to determine the proportion of body corporate expenses each lot owner is responsible for. The community management statement contains two schedules of lot entitlements – a contribution schedule of lot entitlements and an interest schedule of lot entitlements, outlining the entitlements for each lot in the scheme. The contribution schedule lot entitlement for a lot (as a proportion of the total for all lots) is used to calculate the lot owner’s contribution to most body corporate expenses, and the interest schedule lot entitlement for a lot (as a proportion of the total for all lots) is used to calculate the lot owner’s contribution to insurance expenses in some cases. Lots may have different lot entitlements and therefore may pay different contributions to the body corporate’s expenses.

You should consider the lot entitlements for the lot compared to the lot entitlements for other lots in the scheme before you sign a contract of sale.

Contribution schedule

Contribution schedule lot entitlement for the lot: **10**

Total contribution schedule lot entitlements for all lots: **770**

Interest schedule

Interest schedule lot entitlement for the lot: **27**

Total interest schedule lot entitlements for all lots: **2,002**

Statement of accounts

The most recent statement of accounts prepared by the body corporate for the notice of the annual general meeting for the scheme is given with this certificate.

Owner contributions (levies)

The contributions (levies) paid by each lot owner towards body corporate expenses is determined by the budgets approved at the annual general meeting of the body corporate.

You need to pay contributions to the body corporate's administrative fund for recurrent spending and the sinking fund for capital and non-recurrent spending.

If the Commercial Module applies to the community titles scheme, there may also be a promotion fund that owners of lots have agreed to make payments to.

WARNING: You may have to pay a special contribution if a liability arises for which no or inadequate provision has been made in the body corporate budgets.

The contributions payable by the owner of the lot that this certificate relates to are listed over the page.

Body corporate debts

If any contributions or other body corporate debt (including penalties or reasonably incurred recovery costs) owing in relation to the lot are not paid before you become the owner of the property, YOU WILL BE LIABLE TO PAY THEM TO THE BODY CORPORATE. Before signing the contract, you should make sure that the contract addresses this or provides for an appropriate adjustment at settlement.

Common property and assets

When you buy a lot in a community titles scheme, you also own a share in the common property and assets for the scheme. Common property can include driveways, lifts and stairwells, and shared facilities. Assets can include gym equipment and pool furniture.

The body corporate is usually responsible for maintaining common property in a good and structurally sound condition. An owner is usually responsible for maintaining common property or assets that their lot has been allocated exclusive use of, or for maintaining improvements to common property or utility infrastructure that is only for the benefit of their lot. The body corporate may have additional maintenance responsibilities, depending on the plan of subdivision the scheme is registered under. For more information, visit www.qld.gov.au/buyingbodycorporate.

Sinking fund forecast and balance - maintenance and replacement of common property / assets

The body corporate must have a sinking fund to pay for future capital expenses, such as repairs or replacement of common property and assets. The body corporate must raise enough money in its sinking fund budget each year to provide for spending for the current year and to reserve an amount to meet likely spending for 9 years after the current year. If there is not enough money in the sinking fund at the time maintenance is needed, lot owners will usually have to pay additional contributions.

Prior to signing a contract, you should consider whether the current sinking fund balance is appropriate to meet likely future capital expenditure.

Does the body corporate have a current sinking fund forecast that estimates future capital expenses and how much money needs to be accumulated in the sinking fund?

Yes - you can obtain a copy from the body corporate records - last sinking fund report: 29/09/25

Current sinking fund balance (as at date of certificate): \$ 194,426.66

Improvements to common property the lot owner is responsible for

A lot owner may make improvements to the common property for the benefit of their lot if authorised by the body corporate or under an exclusive use by-law. The owner of the lot is usually responsible for maintenance of these improvements, unless the body corporate authorises an alternative maintenance arrangement or it is specified in the relevant by-law.

Details of authorised improvements to the common property that the owner of the lot is responsible for maintaining in good condition are given with this certificate below

| Date | Description | Conditions |
|----------|-------------------------------------|--------------------------|
| 08/05/23 | Installation of pavers in courtyard | Lot owner responsibility |

Body corporate assets

Contracts and authorisations

Caretaking service contractors and letting agents – Accommodation Module, Commercial Module and Standard Module

A body corporate may engage service contractors to provide services to the body corporate to assist in the management of the scheme.

If the Standard Module, Accommodation Module, or Commercial Module apply to a community titles scheme, the body corporate may also authorise a person to conduct a letting agent business for the scheme, that is, to act as the agent of owners of lots in the scheme who choose to use the person's services for the letting of their lot.

A service contractor who is also authorised to be a letting agent for the scheme is called a caretaking service contractor. Together, an agreement to engage a person as a caretaking service contractor and authorise a person as a letting agent is typically referred to as 'management rights'.

The maximum term of a service contract or authorisation entered into by a body corporate is:

- 10 years if the Standard Module applies to the scheme; and
- 25 years if the Accommodation Module or Commercial Module applies to the scheme.

You may inspect the body corporate records to find information about any engagements or authorisations entered into by the body corporate, including the term of an engagement or authorisation and, for an engagement, duties required to be performed and remuneration payable by the body corporate.

Part 2 Standard Terms

Division 1 Preliminary

1 Interpretation

In this agreement –

- (a) a reference to *the premises* includes a reference to any inclusions for the premises stated in item 5.2; and
- (b) a reference to a numbered section is a reference to the section in the *Residential Tenancies and Rooming Accommodation Act 2008 (the Act)* with that number; and
- (c) a reference to a numbered item is a reference to the item with that number in part 1 of this agreement; and
- (d) a reference to a numbered clause is a reference to the clause of this agreement with that number.

2 Terms of a general tenancy agreement - ss 52 and 54-56

- (1) This part states, under section 55, the standard terms of a general tenancy agreement.
- (2) The Act also imposes duties on, and gives entitlements to, the lessor and tenant that are taken to be included as terms of this agreement.
- (3) The lessor and tenant may agree on other terms of this agreement (*special terms*).
- (4) A duty or entitlement under the Act overrides a standard term or special term if the term is inconsistent with the duty or entitlement.
- (5) A standard term overrides a special term if they are inconsistent.
- (6) Any body corporate by-laws that apply to the occupation of the premises by the tenant, for the time being in force, are taken to be terms of this agreement.
- (7) A breach of this agreement may also be an offence under the Act. *Examples* for subclause (7) –
 - 1 It is an offence for the lessor or lessor's agent to enter the premises in contravention of the rules of entry under sections 192 to 199.
 - 2 It is an offence if the tenant does not sign and return the condition report to the lessor or lessor's agent under section 65.

3 More than 1 lessor or tenant

- (1) This clause applies if more than 1 person is named in item 1 or 2
- (2) Each lessor named in item 1 must perform all of the lessor's obligations under this agreement.
- (3) Each tenant named in item 2 –
 - (a) holds their interest in the tenancy –
 - (i) if a special term states the tenants are joint tenants—as a joint tenant; or
 - (ii) otherwise—as a tenant in common; and
 - (b) must perform all the tenant's obligations under this agreement.

Division 2 Entering tenancy

4 Start of tenancy

- (1) The tenancy starts on the day stated in item 6.2.
- (2) However, if no day is stated or if the stated day is before the signing of this agreement, the tenancy starts when the tenant is or was given a right to occupy the premises.

5 Entry condition report - s 65

- (1) The lessor or lessor's agent must prepare, in the approved form, and sign a condition report for the premises.
- (2) A copy of the condition report must be given to the tenant on or before the day the tenant occupies the premises under this agreement.
- (3) If the tenant does not agree with the condition report, the tenant must mark the copy of the report in an appropriate way to show the parts the tenant disagrees with.

- (4) The tenant must sign and return the copy of the condition report to the lessor or lessor's agent no later than 7 days after the later of the following days –
 - (a) the day the tenant occupies the premises;
 - (b) the day the tenant is given the copy of the condition report.
- (5) After the copy of the condition report is returned to the lessor or lessor's agent by the tenant, the lessor or lessor's agent must make a copy of the condition report and return it to the tenant within 14 days.
- (6) However, the lessor or lessor's agent does not have to prepare a condition report for the premises if –
 - (a) this agreement has the effect of continuing the tenant's right to occupy the premises under an earlier residential tenancy agreement; and
 - (b) in accordance with the Act, a condition report was prepared for the premises for the earlier residential tenancy agreement.
- (7) If a condition report is not prepared for this agreement because subclause (6) applies, the condition report prepared for the earlier residential tenancy agreement is taken to be the condition report for this agreement.

6 Continuation of fixed term agreement - s 70

- (1) This clause applies if –
 - (a) this agreement is a fixed term agreement; and
 - (b) none of the following notices are given, or agreements or applications made before the day the term ends (the *end day*) –

 - (ii) a notice of intention to leave;
 - (iii) an abandonment termination notice;
 - (iv) a notice, agreement or application relating to the death of a sole tenant under section 324A;
 - (v) a separate written agreement between the lessor and tenant under section 277(a) to end this agreement.

- (4) The lessor or lessor's agent must give the tenant a notice advising of the costs associated with the ways to pay rent offered to the tenant that the tenant would not reasonably be aware of if the lessor or lessor's agent knows or could reasonably be expected to find out about the costs.
- (5) Also, the lessor or lessor's agent must declare any financial benefit the lessor or lessor's agent may receive if the tenant uses a particular way to pay rent.
- (6) If a place is stated in item 10, the rent must be paid at the place.
- (7) If, after the signing of this agreement, the lessor gives a notice to the tenant stating a place, or a different place, for payment of rent and the place is reasonable, the rent must be paid at the place while the notice is in force.

- (4) Subject to an order of a tribunal, the increased rent is payable from the day stated in the notice, and this agreement is taken to be amended accordingly.
- (5) However, the increased rent is payable by the tenant only if -
 - (a) the rent is increased in compliance with this clause and the Act; and
 - (b) the increased rent is not payable earlier than 12 months after the last rent increase for the premises in accordance with section 93; and

- (c) the increase in rent does not relate to -
 - (i) compliance of the premises with the prescribed minimum housing standards; or
 - (ii) keeping a pet or working dog at the premises.
- (6) Also, if this agreement is a fixed term agreement, the rent may not be increased before the term ends unless -

 - (a) any increase in the premium of the lessor's insurance; and

- abide by the terms of the tenancy agreement
- respect your neighbours' right to peace and quiet

The property owner/manager must

- ensure the property is vacant, clean and in good repair at the start of the tenancy
- only collect personal information from the tenant during the tenancy if it is related to management of the premises
- securely store, handle and destroy any personal information gathered during the tenancy as prescribed by the Act
- respect your privacy and comply with entry requirements

Moving in

Application process

Property managers/owners must require prospective tenants to apply for a residential tenancy agreement using the approved form that complies with the Act. The standardised tenancy application form is the RTA's [Rental application \(Form 22\)](#). The application form must not request any information beyond what is specified in the RTA's Rental application (Form 22). Rules apply to the collection, storage, and destruction of personal information gathered during the application process.

Tenancy agreement

A [General tenancy agreement \(Form 18a\)](#), also called a lease, is a legally binding written contract between you and the property owner/manager. It must include standard terms and may include special terms (e.g. pool maintenance). It must also include the day the rent for the premises was last increased except where renting through an exempt property manager/owner.

You and the property owner/manager must sign the agreement and you should be given a copy.

Period of tenancy agreement:

- Fixed term agreement – has a start date and an end date and you agree to rent the property for a fixed amount of time (e.g. 12 months)
- Periodic agreement – when you agree to rent the property for an unspecified amount of time (there will be a start date but no end date)

Unit/townhouse/apartment by-laws

If you are renting in a unit, townhouse or apartment complex you may have body corporate by-laws to comply with. The property manager/owner should give you a copy of the relevant by-laws when you start the tenancy. These are a set of rules relevant to your complex or building and form part of your tenancy agreement.

For information regarding body corporate laws, please visit the [Body Corporate Commissioner's website](#).

Bond

A rental bond is a security deposit you pay at the start of a tenancy and is lodged with the RTA. The property owner/manager must not hold your bond. The maximum bond allowed to be taken is equivalent to four weeks' rent, regardless of the weekly rent amount.

You can lodge your bond directly with the RTA using [RTA Web Services](#). Alternatively, once the bond is paid, the property owner/manager must give you a receipt and complete a Bond lodgement online or provide you with a paper [Bond lodgement \(Form 2\)](#) which you must sign. The property owner/manager must lodge the bond with the RTA within 10 days. Check with the property owner/manager. You will receive notification from the RTA once the bond has been lodged.

Bond increases

Your bond can be increased if your rent is increased. Any extra bond money paid by you must be lodged with the RTA by the property owner/manager or you. You can do this directly via [RTA Web Services](#). The maximum bond allowed to be taken is equivalent to four weeks' rent, regardless of the weekly rent amount.

Rent

Generally you will be asked to pay rent in advance before, or when, you move in.

- For a fixed term agreement: a maximum of 1 month's rent in advance
- For a periodic agreement: a maximum of 2 weeks rent in advance

Your property manager/owner cannot, at the start of a new tenancy, solicit, accept or invite you to pay more rent in advance than what is allowed under tenancy law, or accept rent greater than this amount.

You can't be asked to pay more rent until the rent in advance has been used up.

When rent is paid electronically, you must arrange for the money to leave your account on a certain day, and the rent is considered paid on this day.

Property managers/owners must offer you at least two ways to pay rent. One of these ways must not exceed reasonable transactional costs (costs beyond standard transaction fees), and it must be reasonably accessible to you.

Before signing a tenancy agreement, property managers/owners must provide a written notice outlining any associated costs incurred by using the payment methods offered.

Property managers/owners must disclose any financial benefits they may receive if you use a specific rent payment method.

Rent increases

Rent can only be increased if it has been at least 12 months since the current rent amount became payable for the residential premises.

Rent cannot be increased during a fixed term agreement unless it is stated in the agreement and even then 2 months notice (in writing) must be given.

Rent can be increased in a periodic agreement by giving 2 months notice (in writing).

Under the Act, the date of the last rent increase must be included in the tenancy agreement. You have the right to request written proof of the last rent increase during the tenancy, and your property manager or owner must provide this information within 14 days. However, these requirements do not apply in the following cases:

- Exempt Lessors: the Act outlines who qualifies as an exempt lessor.
- For properties purchased between 6 June 2023 and 6 June 2025: the requirement to include the date of the last rent increase in the tenancy agreement and to provide evidence of a rent increase upon the tenant's request does not apply if the new owner or property manager does not have information about the previous rent increase.
- For properties being rented for the first time: the date of the last rent increase is the date the property is first rented.

Note: A property manager or owner is considered to have evidence of the last rent increase if they or their agent (such as a real estate agent, property manager, or lawyer) has this information.

If you are concerned the rent increase may be less than 12 months since the last increase for the residential premises, you can ask the property manager/owner in writing to provide evidence of the last increase.

Some rent increase rules do not apply to exempt property managers/owners. The Act provides definitions for an exempt property manager/owner.

Rent decreases

Rent decreases may occur when there is a drop in the standard of the property, a decrease in services provided (e.g. the availability of car parking), or if a natural disaster (e.g. flooding, fire) makes the property partially unfit to live in. Any agreement about a rent decrease should be put in writing and signed by the property owner/manager and you.

If rent has been decreased and later returns to the original amount, this change is not considered a rent increase within the 12-month limits under the Act.

Water usage

You can be charged full water consumption costs only if the property owner/manager meets a specific set of conditions. Check your tenancy agreement and our website for more detail.

Water bills may be issued quarterly or half-yearly. Check with your property owner/manager how often and when bills are issued. These bills must be provided by a property manager/owner within 4 weeks of receiving the document or you do not have to pay.

Electricity/gas/phone/internet

Check your tenancy agreement – in most cases you will need to arrange connection and pay for the services. Check with the property owner/manager to clarify arrangements for internet or TV connections, satellite dish installation or solar electricity rebates (if applicable).

For general service charges in tenancy agreements and moveable dwellings, where you pay for utilities or other services, a property manager/owner must provide you with a copy of the document from the relevant service provider that shows the charges. This must be done within 4 weeks of the property manager/owner receiving the document.

This requirement applies to individually metered utilities for moveable dwellings and it does not include service charges or utilities services that are included in the rent.

Entry condition report

The property owner/manager must give you an [Entry condition report \(Form 1a\)](#).

It is important for you to take the time and check the condition of the property at the start of the tenancy. This will help to avoid disputes about the condition of the property when you move out. You must complete the report and return a signed copy to the property owner/manager within 7 days. The property owner/manager must give you a copy of the signed final report within 14 days.

To prevent disputes, the RTA strongly advises both parties ensure the meter reading is recorded in both entry and exit conditions reports at the beginning and end of the tenancy.

The RTA also recommends taking photos and attaching them to the report as proof of the condition of the property.

During a tenancy

Maintenance

You are responsible for looking after the property and keeping it, and any inclusions (like the oven), clean. The property owner/manager is responsible for ensuring the property is fit to live in and in a good state of repair, including carrying out general repairs and maintenance during your tenancy. They must also make sure the property complies with any health and safety laws.

Minimum housing standards

Minimum housing standards, aim to ensure all Queensland rental properties are safe, secure and functional.

The property must meet minimum housing standards when you move in and throughout the tenancy agreement.

Routine repairs

You should notify the property owner/manager of any necessary repairs. They will generally carry out repairs or organise someone to do them. You should not carry out repairs without written consent.

If you have notified the property owner/manager of a repair – by email, maintenance request, or a [Notice to remedy breach \(Form 11\)](#) – and they don't make the repair within a reasonable time, you can apply for free dispute resolution at the RTA and may have the option to apply for a repair order from the Tribunal after conciliation.

When entering the property for repairs the property owner/manager must provide the appropriate entry notice period. If you or your guests damage the property, you will have to pay for the repairs.

What to do for emergency repairs

If the property owner/manager or nominated repairer listed on your tenancy agreement (or the front page of this guide) cannot be contacted, you can:

1. arrange for a qualified person to carry out emergency repairs to a maximum value of 4 weeks rent (check your tenancy agreement to clarify what is an emergency repair).

If you pay the repairer, you will need to give the receipt to the property owner/manager who must pay you back within 7 days. Keep copies of all receipts. Alternatively, you can ask the property owner/manager to pay the repairer directly.

2. Make an urgent application to the Tribunal for a repair order for the emergency repair.

Applying for a repair order

To avoid issues with enforceability of a repair order you are encouraged to list all relevant parties – including the property owner in the application to QCAT. Although QCAT determines the content and specifics of a repair order, including the property owner on the application may help to clarify accountability, support compliance, and

encourage timely repairs. The property owner's details may be found in the tenancy agreement or by contacting the managing party for the rental property.

Learn more about how to apply for a repair order in the [Repair orders fact sheet](#).

Smoke alarms

Property owners/managers must install, maintain and replace smoke alarms in rental properties, in line with Queensland legislation. Visit Queensland Fire Department (fire.qld.gov.au) for more information. You also have responsibilities including testing and cleaning smoke alarms and replacing batteries (unless the battery is built into the smoke alarm in a way that prevents the battery being removed). See our website for more information.

Fixtures

Fixtures and structural changes can only be made with the property manager's/owner's written consent. You are required to use the [Request for approval to attach fixtures or make structural changes \(Form 23\)](#), to request permission from a property manager/owner to attach fixtures or make structural changes to the premises. A property manager/owner must respond to your request in writing within 28 days after receiving the request. You cannot attach fixtures or make structural changes to the premises solely because your property manager/owner has not responded within the 28 day timeframe.

If you proceed to attach fixtures or make structural changes to the premises without agreement you are in breach of the agreement.

A tenant experiencing domestic and family violence can arrange for a qualified tradesperson to change the locks in their rental property to ensure their personal safety. The tenant must provide copies of the keys to the property owner/manager unless the property owner/manager agrees to not being given a copy of the key.

A tenant cannot change locks to common property in community title schemes.

Requesting to rent with a pet

If you wish to keep a pet at the property, you must seek written approval from the property owner using a [Request for approval to keep a pet in rental property \(Form 21\)](#).

The property owner must respond in writing within 14 days after receiving your request.

- If they approve, they can outline additional reasonable conditions for the approval of the pet. You may agree to the outlined conditions or try to negotiate.
- If they do not approve the request, they must provide a specific reason under the legislation for rejecting the request.

When considering keeping a pet, you must also adhere to other applicable rules such as house rules, local council laws or body corporate by-laws.

Inspections and viewings

Routine inspections can be carried out every 3 months to ensure the property is well cared for and there are no maintenance or health and safety issues.

The property owner/manager may also need to enter the property for repairs or a viewing if it is being re-let or put up for sale. In most cases they must give you an [Entry notice \(Form 9\)](#) before they can enter. However, they may enter in an emergency or if you verbally agree with the entry. Entry must occur at a reasonable time. Visit our website for more details.

If your property manager/owner serves you a [Notice to leave \(Form 12\)](#) or you issue a [Notice of intention to leave \(Form 13\)](#), a property owner/manager cannot enter the property more than 2 times within a 7 day period while that notice is in effect. It's important to note that if a Notice to leave (Form 12) is issued at the beginning of the tenancy, the entry limit of twice in 7 days will apply for the entirety of the notice period.

The limitation does not apply where the entry is:

- by mutual agreement with a tenant
- to comply with the *Fire Services Act 1990* in relation to smoke alarms
- to comply with the *Electrical Safety Act 2022* in relation to approved safety switches
- where a property manager/owner reasonably believes that entry is necessary to protect the premises or its contents from imminent or further damage.

For open home inspections (when multiple inspections occur at the same time), your written consent must be sought by the property owner/manager.

Sub-letting and co-tenancies

If you want to rent out a room or part of the property, you must seek written permission from the property manager/owner and they must have good reason to say no.

Check your tenancy agreement first, talk to your property owner/manager and get any agreed arrangements in writing. Head-tenants have the same responsibilities as a property owner/manager including giving their sub-tenant a receipt for bond money paid and lodging the bond with the RTA.

Problems

If you do something wrong

If you breach the agreement, the property owner/manager can issue a [Notice to remedy breach \(Form 11\)](#).

Example: you don't pay the rent as per the tenancy agreement and it remains unpaid for 7 days or more or you do not keep the property in the agreed condition.

If you don't fix the problem you may be given a [Notice to leave \(Form 12\)](#) by the property owner/manager.

If the property owner/manager does something wrong

If the property owner/manager breaches the agreement, you can issue a [Notice to remedy breach \(Form 11\)](#).

Example: the property owner/manager fails to keep the property well maintained, does not respond to a repair request or enters the property without the correct notice.

If you have notified the property owner/manager of a repair and they have not taken action within a reasonable timeframe, you may have the option to apply to the Tribunal for a repair order.

Resolving problems

Good communication is the key to resolving most problems. Find out your rights and responsibilities and talk to the property owner/manager directly. If this does not work, the RTA's free and impartial dispute resolution service may be able to help. If it remains unresolved, you may be able to take the matter to the Queensland Civil and Administrative Tribunal (QCAT).

Extending your fixed term tenancy

If you want to stay on under a new fixed term agreement, and there are no changes other than the end date, you and the property owner/manager should sign a letter or statement that includes the new date.

If there are changes to any of the terms of the agreement, the property owner/manager will need to prepare a new written tenancy agreement and you must both sign it before the old one ends. If there is a significant change (e.g. a rent increase you think is excessive) you can dispute it, but only after you've signed the new agreement.

Note: that the rent cannot be increased unless at least 12 months have passed since the last rent increase and a property manager/owner must offer you at least two ways to pay rent. One of these ways must not exceed reasonable transactional costs (costs beyond standard transaction fees), and it must be reasonably accessible to you.

If the end date of a fixed term agreement goes by without any contact between you and the property owner/manager, it continues as a periodic agreement.

Moving out

Ending your fixed term or periodic agreement

You cannot move out at the end of a fixed term agreement without giving notice.

If you wish to leave you must give 14 days notice in writing. If the property manager/owner wants you to leave they must give you 2 months notice.

You must continue to pay rent until you move out.

You must leave the property in the same condition it was in before you moved in, fair wear and tear excepted.

Remember to disconnect your electricity, gas, telephone and internet from your current property and re-direct your mail when you move out.

Breaking your tenancy agreement

If you break the tenancy agreement (e.g. you decide to leave early), you may be responsible for reletting costs.

Reletting costs for fixed-term agreements are calculated based on how much of the lease has expired. The specific reletting costs depend on how much of the agreed tenancy duration has passed when you vacated:

- Less than 25% = 4 weeks rent
- 25% to less than 50% = 3 weeks rent
- 50% to less than 75% = 2 weeks rent
- 75% or more = 1 week's rent
- For agreements up to 3 years it's the lower amount of the specified reletting costs or the rent until a new tenant moves in.

Excessive hardship

If you experience excessive hardship and are unable to continue the tenancy, you can make an urgent application to QCAT to end the tenancy.

Examples of excessive hardship can include serious illness or loss of employment.

The person applying to QCAT will need to show evidence of their circumstances. QCAT may make orders regarding compensation to the property owner/manager and terminating the tenancy from an agreed date.

Exit condition report

You should complete an [Exit condition report \(Form 14a\)](#). It shows the condition of the property when you leave and compares it to the condition of the property when you moved in. If possible you should try to arrange a final inspection with your property owner/manager.

The property owner/manager should complete their side of the report, sign it and return a copy to you within 3 business days of receiving it.

To prevent disputes, the RTA strongly advises both parties ensure the meter reading is recorded in both entry and exit conditions reports at the beginning and end of the tenancy.

The RTA also recommends taking photos and attaching them to the report to prove the condition of the property.

Getting your bond back

You get your bond back at the end of the tenancy as long as no money is owed to the property owner/manager for rent, damages or other costs. You can apply to have your bond money returned on, or after, the expiry date for the notice ending the tenancy. You need to provide the RTA with your contact details, forwarding address and bank account details to receive your bond refund. You can update your details quickly and easily online using [RTA Web Services](#).

Bonds can only be refunded into Australian bank accounts. The quickest and easiest way to get your bond back is an agreed refund between you and your property owner/manager.

Rental bonds lodged on or after 30 September 2024 will require supporting evidence to be provided to you when a property manager/owner claims or disputes a bond refund request. This must be done within 14 days of the bond claim or dispute. Not providing supporting evidence to you when a claim or dispute is made against a bond is an offence.

For rental bonds lodged with the RTA before 30 September 2024, a 12 month transitional period from 30 September 2024 to 30 September 2025 applies. Evidence does not need to be provided for bond claims until after this period expires.

If you and the property owner/manager agree on the refund amount

You and the property owner/manager can request a bond refund online using [RTA Web Services](#). Alternatively, you and your property owner/manager must sign the paper based [Refund of rental bond \(Form 4\)](#) and submit it to the RTA. The RTA will refund the bond as directed within a few days.

If you and the property owner/manager disagree

The RTA encourages you and your property owner/manager to try and resolve any issues in the first instance. Either you or the property owner/manager can submit a bond refund form online using [RTA Web Services](#) or the paper based [Refund of rental bond \(Form 4\)](#).

The RTA will process the first refund request made (Party A). If the other person (Party B), whose signature/ agreement is missing, disagrees with Party A's refund request, they can dispute the claim within the timeframe stated to prevent payment.

The RTA will send Party B a Notice of claim and Party B can disagree digitally via [Web Services](#) or submit a [Dispute resolution request \(Form 16\)](#) to the RTA by the due date. If the RTA does not receive a digital response via Web Services or a completed Form 16 from Party B within the 14 day period as stated on the notice, the bond will be paid out, as directed on Party A's bond refund form.

If Party B disagrees on the bond refund through the above process, it will commence the dispute process with the RTA's dispute resolution service where a conciliator will try to help resolve the disagreement. If agreement is reached, both parties will need to sign a bond refund form and the bond is paid out as what is agreed in this process.

If agreement is not reached, Party B (the person who disputed the refund form) can apply to QCAT for a decision. They must do so within 7 days and notify the RTA in writing of the QCAT application within the correct timeframe.

If no QCAT application is lodged by Party B within the 7 day timeframe, the RTA will pay the bond as directed on Party A's bond refund form. More details on dispute resolution are available at rta.qld.gov.au and information about QCAT can be found at qcat.qld.gov.au.

Domestic and family violence support

Domestic and family violence in a rental property

Domestic and family violence is any form of violence or abuse where the abusive person is a spouse (including de facto), an intimate or dating partner, a family member or an informal carer.

A person who experiences domestic and family violence in a rental property has rights under tenancy law, even if they are not named on the tenancy agreement.

If someone in a rental property is experiencing domestic and family violence and no longer feels safe living in the property, they can end their interest in a tenancy agreement by providing the property owner or manager seven days notice of their intention to vacate supported by relevant evidence. They can vacate before 7 days but they are responsible for paying rent until the end of the 7 day notice period.

Tenants can complete a [Notice ending tenancy interest \(domestic and family violence\) \(Form 20\)](#) to end their interest in a tenancy agreement.

Tenants and property owners/managers can also complete a [Bond refund for persons experiencing domestic and family violence \(Form 4a\)](#) to request a rental bond refund for their bond contribution or a tenant's bond contribution due to a tenancy interest ending on grounds of experiencing domestic and family violence.

It is critical that property owners/managers maintain the privacy of a tenant who is experiencing domestic and family violence to ensure their safety. Penalties apply for those who do not follow the legislated requirements. Learn more about your rights and responsibilities at rta.qld.gov.au.

A person can also apply to QCAT to:

- end the tenancy agreement
- be listed as the tenant
- remove the name of the person who has committed an act of domestic violence from the tenancy agreement
- prevent their personal information being listed in a tenancy database where a breach of the agreement is a result of the actions of a person who has committed an act of domestic or family violence.

Every person has a right to feel safe and live free from violence. If there is violence in your home, you may be able to apply for a domestic violence order (DVO).

Visit the Queensland Courts website courts.qld.gov.au for more information on domestic violence orders.
